Dear Colleague:

My name is Sheetal Sharma, MD, and I am a gastroenterologist from St. Louis, and I have the distinct privilege of being the President of the Missouri Gastroenterology Society (MOGI Society). I would like to invite you to become a member of the MOGI Society. We need more physicians like you, who are concerned about the future of their profession in Missouri, their patients' health, and driving our specialty forward and making it an even greater success. Join MOGI Society before July 19, 2024, for only \$150!

This price covers your membership throughout 2025, and it represents a significant discount of our regular membership dues.

While you will personally benefit from these cost savings, you will also experience a solid return-on-investment and tangible benefits for your practice and your patients.

Membership in the Society will offer the following benefits:

- ✓ Complimentary registration to the MOGI Society's Annual Meeting
- ✓ Ability to Earn MOC Points and AMA PRA Category 1 Credit
- ✓ Establish new connections with gastroenterologists from around the state and share ideas about making all GI providers successful well into the future.
- ✓ Advocate for the profession on legislative, regulatory, and payer (both public and private) issues state-wide.

Now is the time to join. Please take advantage of this membership offer. MOGI Society has made it easy:
